

# Start 2012 off... WRITE!

*The Green Room Community Theatre Presents...  
A Play Writing Experience especially designed for Teachers*

Using dialogues and scripts in a classroom can captivate and motivate students to write and actually enjoy it! The Green Room is bringing three playwrights to conduct exciting workshops to help enrich play writing activities in your classroom.

**Teachers:  
Monday, January 23**

Join 3 Experienced Playwrights as they share their experiences, ideas and insights in 3 separate interactive, small group sessions. Then find out how you can bring these ideas back to your classroom and incorporate them easily into activities that will help your students succeed! Best of all, this is a part of a GRANT, so there is no cost for teachers who participate!

The Teacher Sessions will include working with **BOB INMAN, MOLLY BASS, and KIM STINSON**

**\*\*Continuing Education Credits will be given to teachers who participate\*\***

The workshops will be held in the main and black box theatres and rehearsal halls at the Old Post Office Playhouse in downtown Newton, from 9AM-2PM

A light breakfast and lunch will be provided.

**Free to all teachers.**

**Limited Space Available**
